

# How to get a 55 gallon garbage drum for you Cholla house

The best place in Puerto Penasco is “Tambos Penasco”. It is located on Contitution and Alberto Lizarraga in Colonia Lopez Portillo. Driving from Cholla, go through the famous Rodeo Drive of Cholla. Continue over the railroad tracks until you get to a 4 way stop. This cross street here is Constitution. Go left (north) on Constitution. Tambos Penasco is on the left (west) side on Constitution. I believe Alberto Lizarraga is the second 4 way stop. If you get to the traffic light on Samuel Ocuña, you have gone too far. He has a large inventory of drums, the large blue 55 gallon drums are \$350 (pesos). If you need help

getting a drum, contact Lew Felton by email at [ChollaFiddler@gmail.com](mailto:ChollaFiddler@gmail.com). Once you have a garbage drum, secure it to a power pole, wall or something strong enough to prevent your drum from blowing away in our frequent high winds.
